

Pediatric Consult Podcast

Cincinnati Children's *Pediatric Consult* is a new podcast designed specifically for primary care providers.

Each episode is a discussion of one medical condition, and features Cincinnati Children's experts to help answer questions—from diagnosis to on-going management and referral of patients.

Available episodes cover Cerebral Palsy, Otitis Media and Minor Burn Care. New episodes will be published monthly.

CME credit is available for most episodes.

You can listen to episodes of *Pediatric Consult* on Apple Podcasts, Spotify and Google Podcasts.
