

## Resource Maps for Aftercare and Out of Home Placement

In 2023, Social Services - Inpatient Psychiatry, with the guidance of our colleagues in DDBP, began this project as a way to better identify and utilize the variety of mental health supports that exist in our families' communities.

The table below is a collection of frequently requested and used services across the United States, with an emphasis on the Tri-state area. These maps were built from not only our own collected resources, but also lists from the Ohio Department of Medicaid, Job and Family Services, and the Department of Developmental Disabilities.

<a href="#">Case Management</a>	<a href="#">Day Treatment Programs</a>	<a href="#">DBT</a>	<a href="#">EMDR</a>
<a href="#">Eating Disorders</a>	<a href="#">Family Therapy</a>	<a href="#">Group Therapy</a>	<a href="#">Homelessness Support</a>
<a href="#">IHBT</a>	<a href="#">IOP</a>	<a href="#">MRSS</a>	<a href="#">Medication Management</a>
<a href="#">Outpatient Therapy*</a>	<a href="#">PHP</a>	<a href="#">Psychological Testing</a>	<a href="#">School-based Services</a>
<a href="#">Spanish-speaking Providers</a>	<a href="#">Substance Use</a>	<a href="#">ICFs</a>	<a href="#">Residentials (PRTFs &amp; QRTPs)</a>
<a href="#">ABA Therapy</a>	<a href="#">Allied Health</a>	<a href="#">Mental Health</a>	

The pins on each map contain information about the location, services offered, contact information, insurances accepted, admission criteria, etc. Furthermore, you can utilize the list on the right side to quickly search for a specific provider, the filter at the bottom to sort by region, and use the directions feature in each map pin to locate resources close to a family's residence.

If you're interested in all of the outpatient services available, the Outpatient Therapy map acts as a primary list and is a good place to start your search. The ABA, Allied Health, and Mental Health maps are maintained by DDBP and have a focus on developmental disabilities.

As you can imagine, these maps are a constant work-in-progress as our communities change and grow. If you have updates or new resources to add to the map, email [Scott.Hale@cchmc.org](mailto:Scott.Hale@cchmc.org) with the phrase "Zee Maps" in the subject.
